

TP Economy

Semi-Automatic strapping machine with advanced technique !

■ FEATURES

The TP Economy is the big brother of our well known semi automatic strapping machine TP Vital. Our machine has many technical enhancements compared to similar machines of our competitors.

■ ADVANTAGES

- Compact Mechanical Strapping Head with 30% less moving parts than conventional machines. There are no belts, chains or pulleys.
- Extremely low noise sealing head
- Sensor Controlled Heater (The faster 24V heating mechanism is sensor controlled assuring you of consistent and high efficiency seals.)
- Electronic Tension Control (Adjustment for wider strap tension (8-45 kg) can be easily done on the front control panel.)
- Adjustable Table Height (780 mm to 950 mm)
- SPS Controlled
